

Central Intelligence Agency  
Washington, D.C. 20505

25 May 1983

Executive Director

NOTE FOR: EA/ADDI

FROM: EA/ExDir

25X1

Fred Demech, of PFIAB, asks for copies of two papers mentioned to Board Members recently by both the DCI and DDI. The first is a joint study on deception prepared by CIA, NSA and DIA, which apparently is now at the printer's. The second is a notice and advice to analysts to be alert to Soviet CC&D practices. Please let me know if we can identify and make these papers available to PFIAB.
